President's Report

By Ron Lawson

Hello Membership!

Please attend the November 11th membership meeting at El Nopal. We will be voting for 2022 officers. If you want to be an officer, contact Tim Diehn, Larry Morlock, or John Prohaska. I want to thank Tim, Larry, and John for nominating a slate of officers.

Thirty-six members and guests from the Bloomington, Columbus and Greenwood clubs once again gathered at the Dathe's house on October 16th for the annual Model As meet the Hudsons. Fourteen Model As and 12 Hudsons were present. Food was served by the Taco Food truck people and several members brought delicious deserts to share. The weather cooperated too! Thanks to Ed and Mary, Tim and Marcia for hosting the event.

We are excited about the Christmas party on December 12th. The Lick Creek Band will be our entertainment. Remember, it is at the Pines in Seymour at 4pm; \$23 per person including gratuity. Please RSVP (and pay) Phil Sutton (936 S, Hawthorne, Bloomington, IN 47401, (812) 336-8672) at the November 11th membership meeting. November 24th is the final RSVP date so we can get an accurate count for the restaurant.

Drive slow, stop often! There is a lot to see and do when we do this!

See ya on the Road— **Ron**

Upcoming Tour schedule was reviewed and confirmed for October and November. Reminder the our Club Christmas Party is scheduled for Dec. 12, 4PM at The Pines in Seymour.

Don Wessler picked up his Model A from the repair shop recently that was involved in an accident in Ohio during a tour early this Summer.

Trip Report: Airmail Route Tour

By Larry Morlock

On October 2, thirteen people in six Model A's set out on a tour to see three of the old concrete arrows that helped mark the route from Cincinnati to Indianapolis for the early airmail pilots in the 1920's. The group that left Columbus was Tim Diehn and his friend Hank Wang, Ron & Carmen Huddleston with their grandson Chase Young and his friend Ty Zohrlaut, Larry Morlock and Dick Bray, and John Prohaska with his son A.J.

At the Shelbyville airport where the first arrow is, we met up with Jerry & Sharon Curbox and Jerry Glunt. After exploring the arrow at Shelbyville, we went 10 miles east to see the next arrow, which is beside the country road and very well maintained. Another 10 miles on and we were disappointed to find that the third arrow no longer exists. Apparently, the landowners dug it up and disposed of it. We wondered if they knew or cared about the historical significance of what they had destroyed.

But, on to Millhousen and Stone's Restaurant for lunch. Stone's is fast becoming our favorite restaurant with good fried chicken and a wide selection of fresh-baked pies. After lunch, we went our separate ways home. It was good weather, good fun and good friends. What more can you ask.
